

# Groth NC 4 COOLANT AERATOR

**Prevent unpleasant coolant smell  
after downtime!**

The device is used to aerate / oxygenate the coolant in the machine tool during machine downtime.

## BENEFITS:

- The set includes 2 air curtains that enable the aeration of two independent tanks at the same time.
- Thanks to the possibility of connecting 2 additional curtains (optional), we can aerate four coolant tanks simultaneously.
- Elimination of unpleasant odors. Extend the life of the coolant. Reducing the amount of coolant additives.

**120 cm air curtain**  
Expand your coolant aerator!

Thanks to the possibility of connecting  
2 additional curtains (optional),  
we can aerate four coolant tanks  
simultaneously.
